

Hello!

Johnson Music School is located in Suite 106B (1st floor) of 30 Campbell Street, Blacktown. The building looks like this.

(front entrance is best for walking form the station. Rear entrance is best if parking nearby)

If you are coming via train, we are less than a 10-minute walk from the station, along the street or through Westpoint Shopping Centre. Just look up “Johnson Music School” on Google Maps and it will show you the way.

There are 3 parking options nearby. There is a small council carpark (2hrs), a small strip of car parks along the road (1hr), and a multi-storey car park (3hrs on the bottom floors). You will always find parking in the 3-hour car park.

You can also park at the nearby Westpoint Shopping Centre.

Here is a map showing the 3 parking spots in relation to the building we are in
